## FREE/REDUCED MEALS APPLICATION PACKET (COVID-19 RELIEF PACKAGES)

January 20, 2021

Dear Parent/Guardian:

COVID-19 relief packages recently passed by the United States Congress contain numerous benefits for families financially impacted by the pandemic. Some of these benefits are available to students who are eligible for free or reduced-priced school meals.

If you believe your school-aged child(ren) may qualify for free or reduced-priced meals this school year and have not yet submitted the application for free or reduced-priced meals to the school, we encourage you do so as soon as possible. Applications may be obtained on the school website, at each school office.

The application then will be used to determine which benefits your child(ren) and/or household may be eligible to receive. Please be aware that applying for free or reduced-price meals will not impact meals that your child(ren) currently receives through the school.

If you have any questions, please feel free to contact me at (570) 427-8687.

Thank you,
