St. Luke's Orthopedic Care, Primary Care Sports Medicine Specialist, Dr. Richard Sirard attended the American University of the Caribbean School of Medicine, completed his Family Medicine residency at Lehigh Valley Hospital and his Primary Care Sports Medicine fellowship at our very own St. Luke's University Health Network.

A former professional triathlete himself, Dr. Sirard feels that keeping active at any age is important physically as well as mentally. He hopes to help athletes and non-athletes with their musculoskeletal injuries.

Treats: Non-surgical sports injuries and concussions
