Second Allocation of Supply Chain Assistance (SCA) Funds to Alleviate Supply Chain Disruptions in the School Meal Programs

July 7, 2022 – The Pennsylvania Department of Education (PDE), Division of Food and Nutrition (DFN), will receive approximately \$48.7 million Supply Chain Assistance (SCA) funds to distribute to eligible School Food Authorities (SFAs) to be used exclusively to purchase unprocessed or minimally processed domestic food products to help SFAs deal with challenges administering the Child Nutrition Programs in the 2022-2023 School Year. This allocation includes two components: a base payment of \$5,000 to all eligible school districts, and a proportional funding amount based on each SFA's share of statewide student enrollment. The base payment is intended to ensure that the smallest districts receive a meaningful level of funding.

Additional Funding for Fiscal Year (FY) 2022 National School Lunch Program Equipment Assistance Subgrants for School Food Authorities

October 11, 2022 – The United States Department of Agriculture (USDA) continues to recognize the challenges facing schools nationwide. Higher food prices and supply chain disruptions have played a role in postponing other important food service purchases. To further mitigate these challenges and support schools, the USDA is pleased to announce an additional \$50 million in Equipment Assistance Grant funding provided by the American Rescue Plan Act (ARPA) (P.L. 117-2) under section §1001 (b)(4). The additional funding will support school food authorities (SFAs) in providing healthy and appealing meals by meeting vital food service equipment needs.
