TNG On-Site at Weatherly Area School District OPEN HOUSE

The serving lines were set up for breakfast and lunch service. Trays were displayed with a reimbursable breakfast and lunch for families to see what we offer each day.

TNG On-Site at Weatherly Area School District

SHARE TABLE

Students are using the share tables during breakfast and lunch.

Take advantage of the benefits school meals provide for your children.

School Meal Program: Nutritious value for your family

Families in the district prepare for all the expenses that come with sending students back to school, and are now also struggling to put food on the table as prices continue to soar. Groceries on average increased 12.2% over this time last year, making it the largest single year increase since April 1979.*

The good news is participating in the National School Breakfast and Lunch program can provide the students with both nutritious and cost-effective meals!

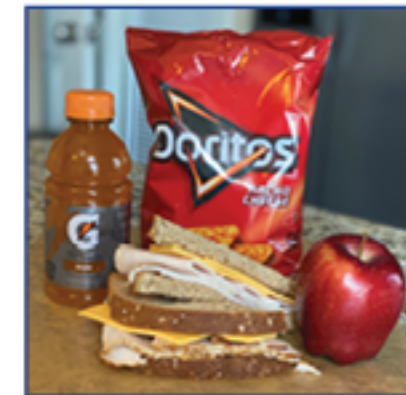

Participating in the National School Breakfast and Lunch program is a great way to ensure your student has access to a wide variety of fresh nutritious meal options each day. Free or Reduced-price meals are also available for those that qualify. Families can visit the district website for more information on how to apply.

School Lunch

Elem/Middle
\$2.40
High School
\$2.60

Typical Lunch from Home

\$3.14
