

Although the Weatherly Area School District does not provide a Summer Food Service Program at this time, nutritious and free meals are available for children and teens 18 and younger at many locations throughout the nation throughout the summer while school is out of session. Visit this website to see if there is a site near you: <http://www.fns.usda.gov/meals4kids>

Alternative methods of locating sites that serve free meals to children during the summer months include the following:

Call 1.866.3Hungry or 1.877.8Hambre (USDA National Hunger Hotline)

Text "MEALPA" to 877877 during the summer months
